

## Information for Artists and Performers

We are a small culture center in the northern part of Kiel. Our non-professional, voluntary members strive to offer the residents in our community and surrounding area an interesting and varied cultural program.

You could imagine presenting such a program in our facility? Fantastic! We hope that the following basic conditions meet your taste just as your program meets ours. In any case we would like to thank you for your interest in us.

### “Kulturladen Leuchtturm” offers its audiences:

- concerts (also open sessions)
- exhibitions
- children’s theatre
- comedy and cabaret
- lectures (also with slide shows)

Stage lighting (LED spots) is provided

We have a kitchen area where small snacks or drinks can be prepared.

There is also a small courtyard where performances could be held.

In addition to these basic conditions, a pleasant atmosphere is provided by a friendly team that aspires to make every occasion a thoroughly satisfying one for the audience as well as for the artists. Within our means we try our best to cater to special wishes.

We provide the posters, flyers and announcements in local press publications. You can also express wishes concerning poster design and content.

Pay is usually arranged by agreement beforehand within the realm of our limited possibilities, but "passing the hat" would also be acceptable. We believe that the artists themselves are mainly responsible for the applause and recognition they receive from the audience, but we do wish you the best of luck for your performance!
